To Whom It May Concern:

This is a letter of support for the STRIVE non-profit organization. STRIVE collaborates with local parks and recreation departments to increase resources for their clients. Currently, the Oak Park Recreation Department collaborates with STRIVE to offer trips for individuals with disabilities to local area events as Detroit Piston Basketball games, Detroit Red Wing Hockey games, Disney on Ice Shows, and others.

This working relationship we have with STRIVE has been a perfect marriage. We are very pleased the way outings are planned out, and the staff provided by STRIVE has always been very professional. Without STRIVE, The Oak Park Recreation Department would not be able to offer our special needs residents quality leisure opportunities.

We look forward to maintaining our relationship with STRIVE. Hopefully we can continue to offer individuals with disabilities the chance to participate and enjoy activities of interest the same as the general population.

Sincerely,

Roy Vultaggio
